

E MOTORAD
Electric Cycles

INTRODUCING ST-X

Experience a beautiful journey with the ST-X, a one-of-a-kind step-through electric cycle crafted for everyone.

KEY HIGHLIGHTS

DISPLAY

Monitor your ride with the Cluster C10 Colour Display, offering real-time updates on speed, distance, battery life, and more.

BATTERY

Keep the adventure going with the 36V 7.65Ah removable battery, providing long-lasting power and easy charging for extended rides.

PUNCTURE PROTECTED TYRES

Protection against punctures up to 3mm for enhanced durability and convenience.

MOTOR

Enjoy effortless climbs and a dynamic ride at every pedal stroke with a powerful E-Motorad 350W* rear hub motor.

*Available starting October 2026

SUSPENSION

Enjoy smoother rides with the 60mm travel front fork suspension, designed to absorb bumps and enhance comfort.
