

E MOTORAD

Electric Cycles

LEGEND 07

A hardtail MTB electric cycle with a legend's name on it - made for everything from daily commuting to weekend long rides.

KEY HIGHLIGHTS

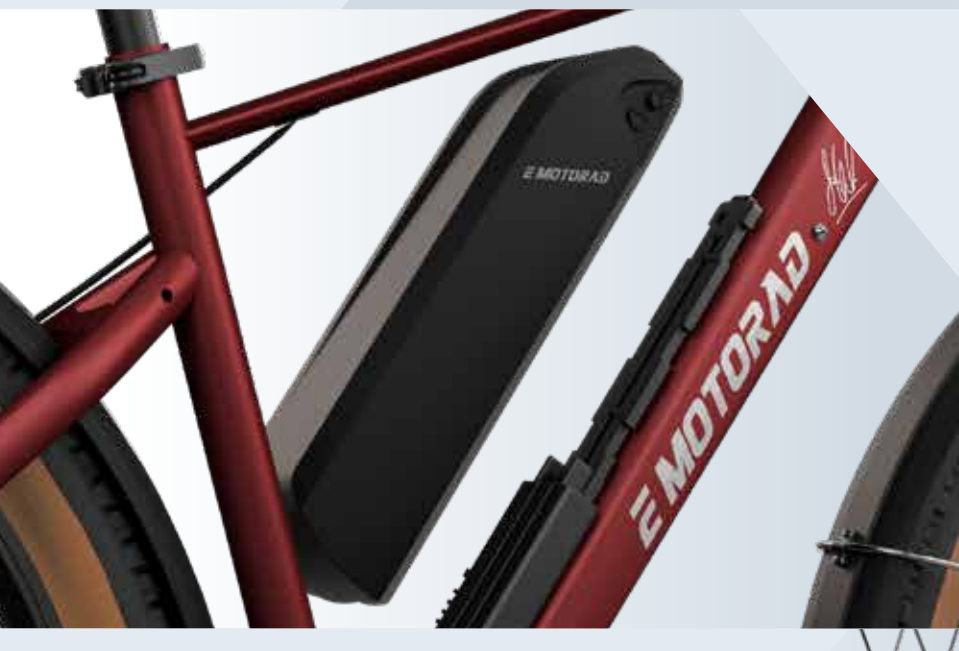

SUSPENSION

Enjoy smoother rides with the 100mm travel front fork suspension, designed to absorb bumps and enhance comfort.

DISPLAY

Monitor your ride with the Cluster C4 Colour Display, offering real-time updates on speed, distance, battery life and more.

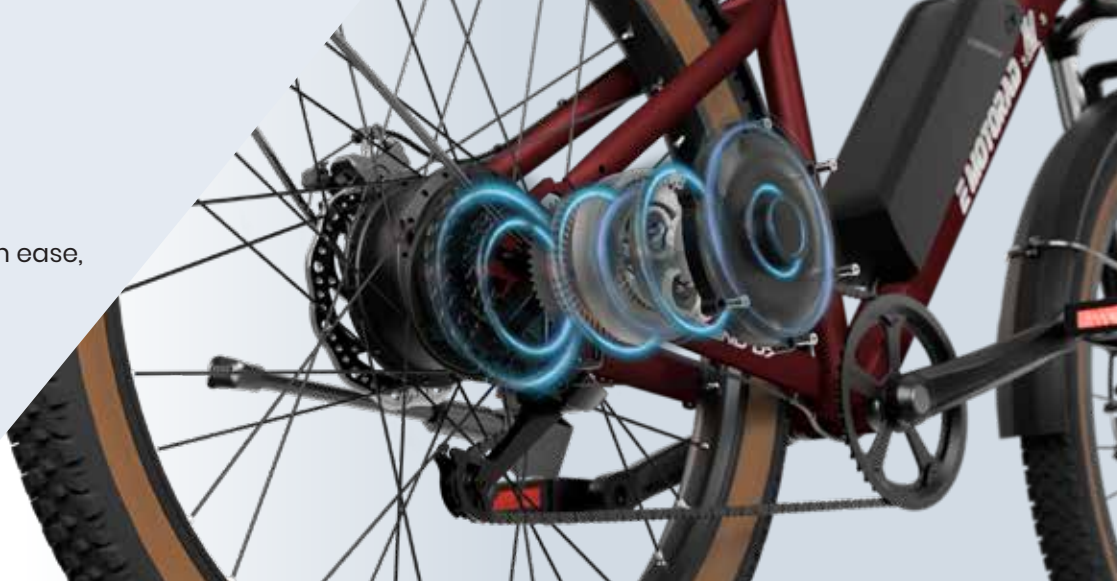

BATTERY

Keep the adventure going with the 36V 10.2Ah removable battery, providing long-lasting power and easy charging for extended rides.

MOTOR

Glide through the streets with ease, powered by the high-torque 350W* rear hub motor.

*Available starting October 2026

TAN WALL
tyres

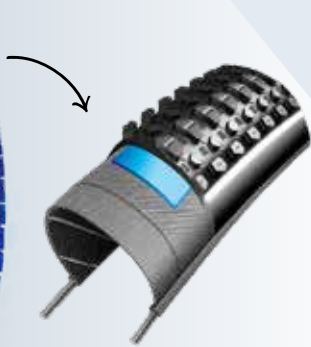

2.4"

TAN WALL FINISH AND BROAD PROFILE

A bold look with greater stability and confidence on everyday roads.

SHIMANO TY300 GEARSET

Shift gears swiftly and effortlessly with the Shimano Tourney 7-speed drivetrain, whether you're climbing hills or cruising flats.

PUNCTURE PROTECTED TYRES

Protection against punctures up to 3 mm for enhanced durability and convenience.
