EMOTORAD
Electric Cycles

T-REX AIR
Limited Edition

DISCOVER BEYOND.

DISTINCTIVE BY DESIGN.

Limited Edition style. Everyday electric freedom.

KEY HIGHLIGHTS

INTEGRATED HANDLEBAR CONSOLE

CLUSTER i13 DISPLAY

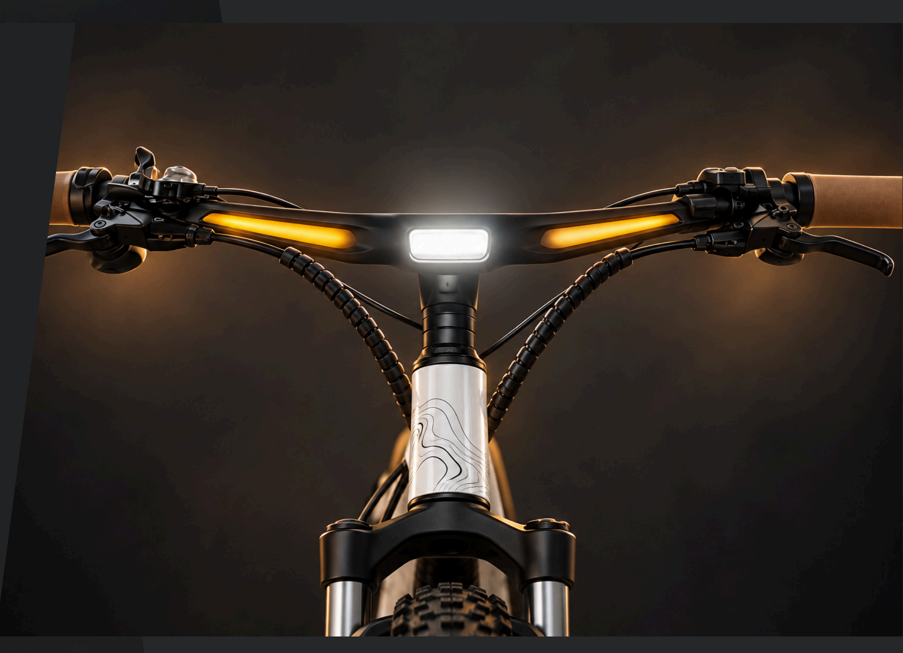
Ride information at a glance, with the display integrated into the handlebar.

HEADLIGHT & HORN

High and low beam illumination, with a built-in horn.

INTEGRATED INDICATORS

Handlebar-integrated signals, with controls within reach.



16.5" HIGH TENSILE STEEL FRAME

Limited Edition graphics give the hardtail frame its distinctive identity.

36V 16Ah LI-ION BATTERY

Power your journeys with up to 75 km on pedal assist*. Charge in 7-8 hours with the 2A charger.

350W REAR HUB MOTOR

The EMotorad 36V rear hub motor delivers electric assistance, with five pedal-assist levels.

SUSPENSION WITH LOCKOUT

An aluminium alloy suspension fork with lockout for your ride.

29" x 2.4" TYRES

Up to 3 mm puncture protection, paired with double-wall aluminium alloy rims.

HYDRAULIC DISC BRAKES

Hydraulic braking with auto cut-off e-brakes to interrupt motor assistance when you brake.

SHIMANO 7-SPEED

A Shimano TY300 drivetrain gives you seven gears to choose from.
