FOLD, UNFOLD, RIDE AWAY

Your ticket to exciting escapades starts with the Doodle Pro. Perfect for commutes that fit both you and your family's style.

FOLDABLE FRAME

Strong foldable aluminium alloy 6061 frame that can withstand all terrain.

STAY INFORMED

Stay informed and ride smoothly with the cutting-edge Cluster C6+ Display.

CHARGE UP, GO THE DISTANCE

Experience long-lasting power and convenient recharging with a 36V 12.75Ah Li-ion removable battery.

MOTOR

Enjoy effortless climbs and a dynamic ride at every pedal stroke with a powerful EMotorad 350W* rear hub motor.

*Available starting October 2026

DUAL INDICATORS

Make your presence felt with front and rear indicators, brake and hazard lights.

7-SPEED SHIMANO GEARSET

7-Speed Shimano Tourney TZ500 drivetrain for precise shifting and smoother rides on any terrain.

Puncture Protected Tyres

A 3mm protective layer sits between the road and your tube, so thorns, glass and grit stop where they land.
